Bird and Trout Models

Technical Data and Features

GENERAL: Mr. Masao Takahashi is a full-time Custom knifemaker and member of the Japanese Knifemaker's Guild. Through much time and effort, he has developed his art to a high degree. His attention to quality craftsmanship and material selection ranks his knives among the best. He shows delicate imagination by combining highly-functional designs with artistically flowing lines. Japan takes pride in Masao Takahashi for achieving world-wide acclaim. Mr. Takahashi's designs in the hands of G.Sakai craftsmen bring to life the flawless "Bird and Trout" design: a world class combination.

BLADE: Composed of AUS-6A stainless steel, the spiring point offers precise balance and blade control in the most delicate situation.

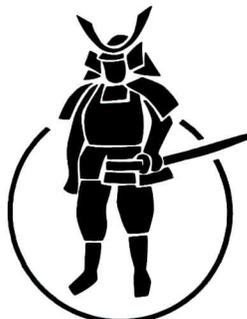

HANDLE: Black linen micarta.

LOCK: The traditional rear-lock provides for a secure opened position.

SHEATH: The sheath provided with these models are all the same high-quality nylon webbing with the G.Sakai logo.

DESIGNER: Masao Takahashi — Japan
