

1 March 1993

INTRODUCTION

Welcome to the world of Spyderco, and thank you for embarking. This product manual will help you understand our products and philosophies, and provides you and your crew with the knowledge to enhance product presentation.

All of our products incorporate high-performance design mated to the best in high-tech materials for the task. You will find that our craftsmen rank with the finest the world has to offer.

Our modern facilities and motivated personnel excel in transacting business efficiently, accurately and professionally.

The spirit and enthusiasm of our entire organization both in the U.S.A. and Japan becomes evident when you use our products.

We look forward to a long-lasting and mutually beneficial business relationship with you and your organization.
